Things change . . .

Herring Run Circa 1880 . . .

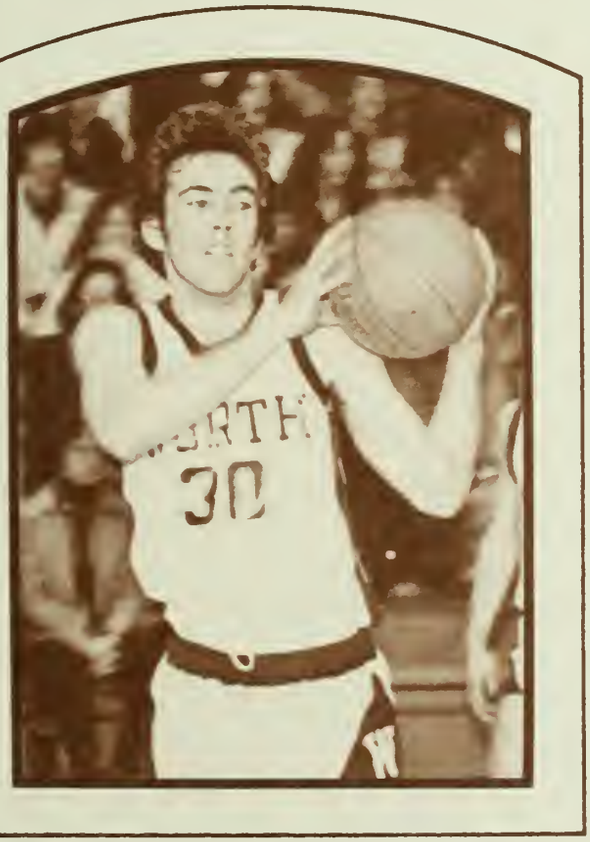
Everyday experiences shape our tomorrows.



The faces have changed . . . the feelings have not.

There are thousands of reasons for smiles.

A picture post card
A folded stub
A program of the play
File away the photographs
of your holiday
And your mementos
will turn to dust
But that's the price you pay
For every year's a souvenir
that slowly fades away...

Senior year has meant different things to each one of us. For some it has been a time of confusion and uncertainty, but we have felt a sense of self-achievement and accomplishment. We thought we were on the top step of the ladder, but in reality our senior year was a beginning. Whether we go to work or to college we will face many challenges, further experiencing the essence of life.

The Faculty and Administration work hard at making our school years complete. They give us knowledge; they entertain us with their wit; they lead us to search for answers to questions that we never knew existed. But most of all, each one gives to his students a piece of himself.

In Memory of Richard B. Dwyer

The memory of this dear man
Will linger on inside.
The memory of this dear man
Will linger on with pride.

A master of our language,
A man of great prestige.
A master, most of poetry,
He spoke to us with ease.

When flowers bloomed, and robins sang
And green became the grass,
He sighed a happy little sigh, "Ah —
Spring is here at last!"

This was his favorite time of year,
A time that he loved best.
And spring, it was so very near,
Though nearer was his rest.

And in the spring of every year,
He'd gather us about,
Reciting springtime sonnets that
His favorite authors wrote.

Yes, the memory of this *great* man
Will linger on inside,
And the memory of this *great* man
Will linger on with pride.

We did not choose the usual route. We knew what we wanted and we could not find it in an academic course of study. We wanted a little bit more, and we wanted something different. We chose our own professions. We are making and shaping our lives with our own hands. And . . . "We did it our way."

Sports satisfy a vital need in everyone's life. Some people choose to participate in organized sports, while others prefer to cheer for their favorite players and teams. Some athletes prefer the solitude of long distance running, while others live to "stuff" a basketball in front of a roaring crowd. Whatever the time, and whatever the event, athletes and fans will continue to build memories for Weymouth North.

Boys' Soccer

The Boys' Varsity Soccer Team finished the year with a record of 4-8-4. The season was far from a disappointing one with the defeat of a strong Brookline team and two tremendous games against a strong Newton North club. Making the Suburban League All Star Team were Richard Loud and Steve Bean. The team's junior and sophomore members look forward to a successful fall next year.

First row: Rich Donovan, Ed Jellison, Butch Crooker, Bob Cronin, John Griffin, Paul Quinn, Scott Fedor. Second row: Coach Shoff, Tiger White, Steven Bean, Peter Bergfors, Tom Leo, Joe Doherty, Lonny Gillis, Bob Nault.

Boys' Varsity Basketball

Despite the dismal start of the season, with North losing to strong Newton North, the Boy's Basketball Team achieved success this year. 1st Row: Billy Johnson, Nipper McLeod, Coach Shoff, Chip Dever, Larry Crowley. 2nd Row: Scott Fedor, Michael Roche, Jim Donaher, Tom Bettle, Fred Brennan.

Girls' Basketball

Although the Girls' Basketball Team competed in an extremely tough Suburban League, with increasingly taller and more experienced competitors, the team compensated for this with their aggressive defense and their controlled speed. Varsity Co-Captains, Debbie Allen and Alison Molignano, led the team, and Coach Carol Arnold expects great things from the numerous underclassmen who will return next year.

1st Row: Trish Duffy, Maureen Sybertz, Paula Given, Pam Given, Alison Molignano, Carole Molignano.
2nd Row: Sue Deady, Jackie Jamieson, June Foley, Michelle Rober, Debbie Allen, Theresa MacAleese, Collette Donovan, Coach Carol Arnold.

Football

This year's Varsity Football Team enjoyed a competitive year if not a wholly successful one. Ending the season with a disappointing 2-9 record, the team looks forward to a better season next year. On a positive note, however, the Thanksgiving Day Game provided a triumphant victory for the team.

The Sophomore Team experienced a more productive season, with only 1 loss in the second half of the season. The team gave competitive performances in every game they played, and they finished the season with a record of 3-5-1.

Although this year's squad was young and inexperienced, it was quite talented, and they finished at the top of the Suburban League. Congratulations to a first-rate team!

Although they had a disappointing season, the Girls' Gymnastics Team never lacked spirit or determination. Coach Jeffe and Captain Cindy Robar aided the girls through a long and demanding season.

Guided by the strong coaching of Dick Hayes and Bill Codero, three gymnasts from North went to the State Meet. One of them was Senior Captain Ron Carlson. Next year's returning juniors and sophomores are looking forward to an even more successful season.

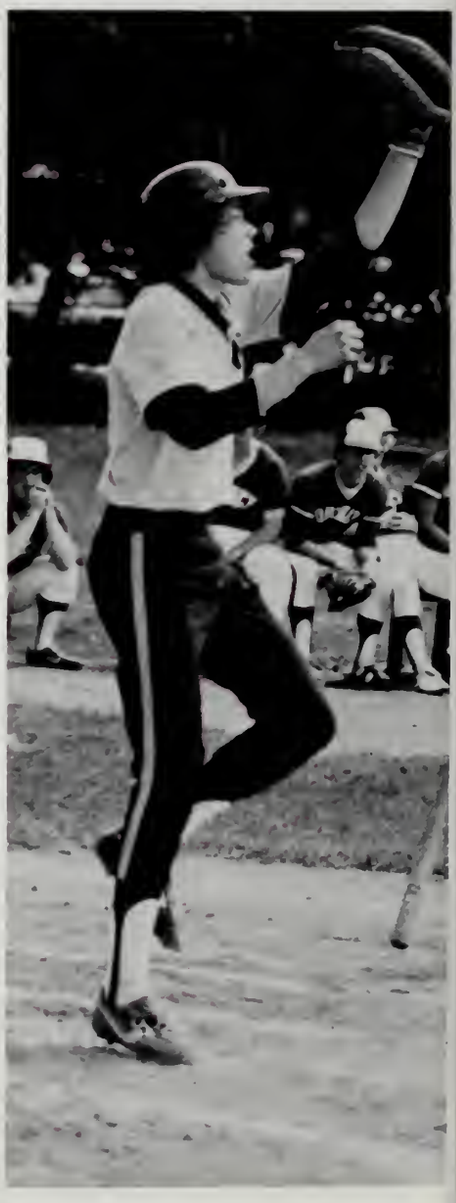
First row: Butch Crooker, Kenneth Evans, David Morris, Coach Player, Scott Harrington, Ron Carlson, Jay Blanchard.

Veteran Coach George Player, who has just completed his eighteenth year as coach, led the Baseball Team and maintained North's winning tradition. The team was League Co-Champion in 1978. Returning seniors were Ron Carlson, Jay Blanchard, Butch Crooker, Scott Raeside, and Dave Morris.



Softball

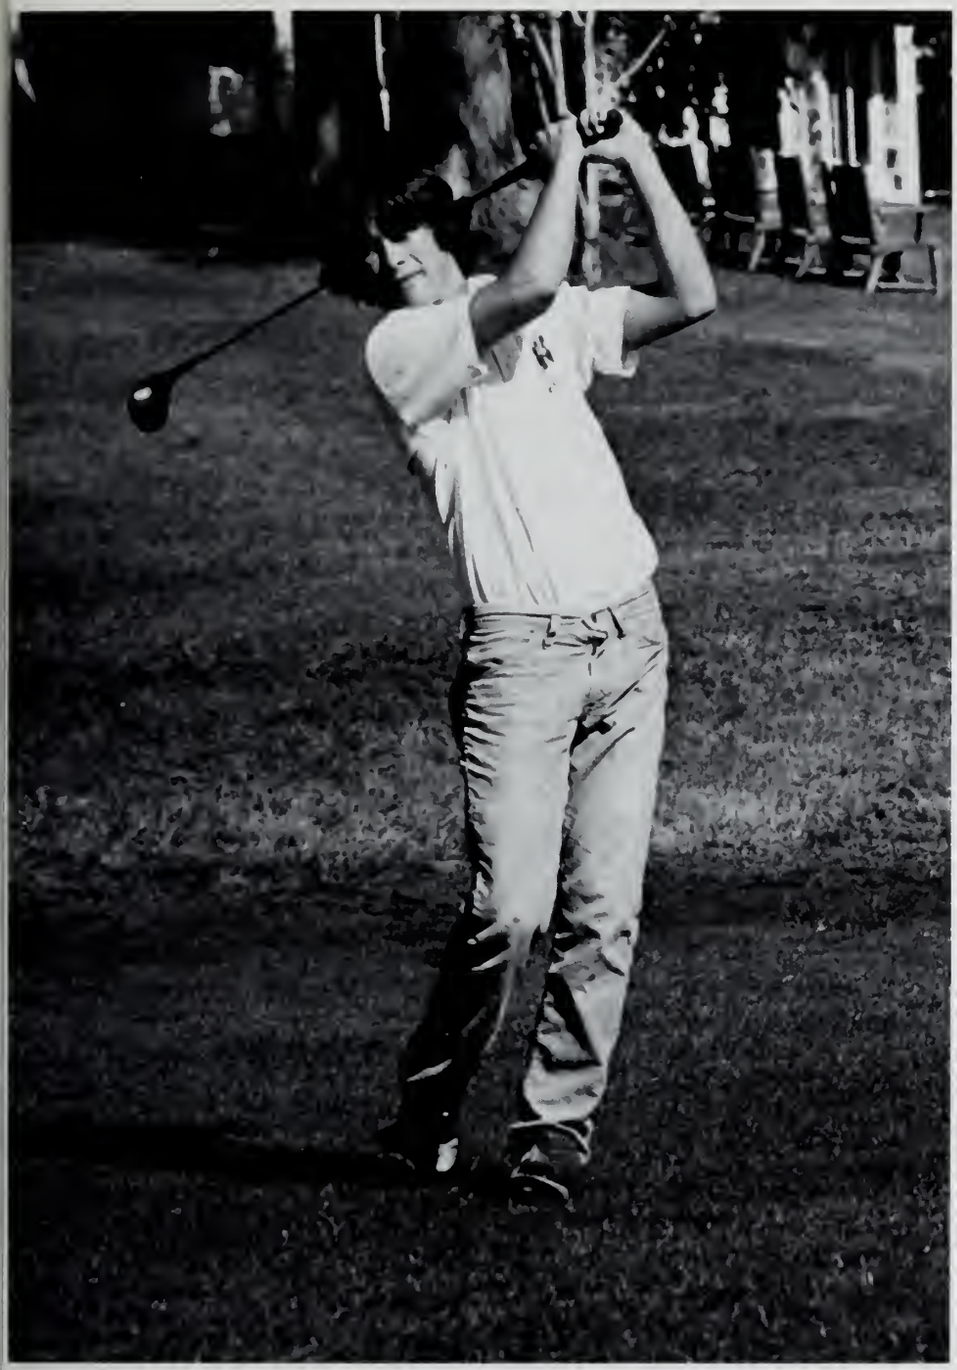
The Girls' Softball Team for 1979 was a relatively experienced one. Losing 3 seniors from the 1978 season was a serious blow, but this year's sophomores looked good. Graduates from last year's Junior Varsity Team helped bolster this year's team also. The competent coaching of Veteran Coach Carol Arnold was an important factor. The team is proud of their past records and confident of continued success.

First row: Sharon Poreca, Peggy Lynn, Linda Hutchinson, Jane Reddish, Jean Mills, Alison Molignano. Second row: Coach Carol Arnold, Carol McDonald, Jackie Jamieson, Maryanne McIntyre, June Foley, Sue Lindquist, Theresa MacAleese, Melanie Furlong, Sue Ahern, asst. Coach Karen Batista.

First row: Jimmy [illegible], Jerry Codi, Joe Bauser, Mike Culhane, John Zella. Second row: David Mattson, Dan Taccini, Bill O'Neil, [illegible], Phil Dentremont, Joe Doherty.

La Crosse

The 1978 LaCrosse season was the best ever at Weymouth North. The team made it to the quarter finals of the State Tournament and lost to the state champions. Over 20 high school LaCrosse records were set on the way to the tournament. For the 1979 season, there will be a good number of returning players. It is hoped that the record wins of last year can be achieved again. 1979 will also be the first year of a Junior Varsity team, and this will allow more boys to play.



Golf

The Golf Team's record was only one match away from a 50-50 record this year, but the successful part of the season lay in the fact that every single match was close. The outstanding qualities of this year's team were solidarity and class. They played as a unit, and every golfer contributed to at least one win. They maintained a "one for all" attitude on and off the course, and coach Walter Murphy wishes all his golfers success in all their future golfing days.

Peter Hanifan, Alan Murray, Bob Tormey, Neil Larkin, Coach Murphy, Scott Fedor, Steven Ganel, David Lenihan, Brian McGrory.

For many students and teachers the school day does not begin at 8 a.m. and end at 2:15 p.m. Meetings and special events require time and energy beyond the call of duty. Many times the participants in these activities ask themselves, "Why am I doing this?" This is when a friend will respond, "Why not?"

Members of the Foreign Language Interest Clubs organized the successful Christmas Holiday Party. Individual clubs visited the Whole World Celebration in Boston and enjoyed sampling foreign foods. These clubs help spark student interest in foreign cultures and peoples.

The perfect answer needed only the right question.

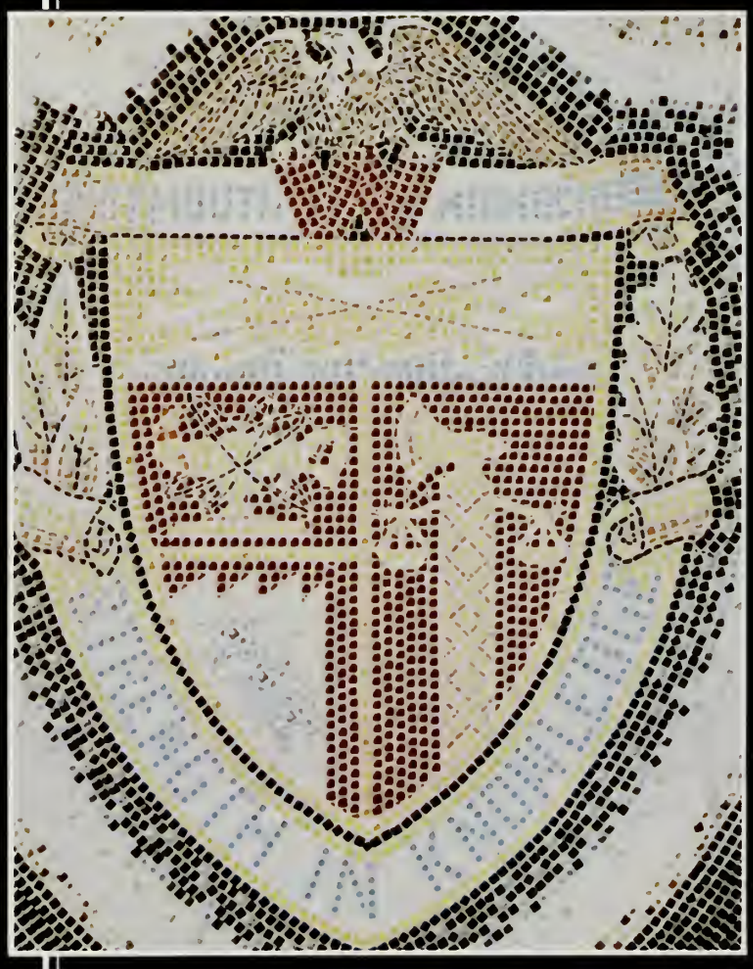
MODERN BIOLOGY



Different interests formed a school.

In recent years *North Highlights* has progressed from a small, mimeographed handout to a tabloid-size offset edition with photos and art work. Mr. Abbot, Tom Frank, Jean Mills, Dianne Fallon and staff are proud of their accomplishments.

Equally proud are co-editors of *Reflections*, Linda Martin and Lois Hardy, whose efforts are mirrored in the creative magazine of North's students. Mr. Ghiorse is their advisor.

The revitalized Photography Club is alive, well, and functioning in the dark room.

The Weymouth North Debate Team, under the supervision of Mr. Reeves, enjoyed a successful first year of interscholastic competition.

Another first was North's entrance into the South Shore Interscholastic Chess League. Mr. Dufault is proud of his players and their outstanding performances.

North's Math Team, supervised by Mrs. Halloran and Mr. Green, often placed highly in The Greater Boston Math League Meets, and they enjoyed practices against South High.

The Folk Club was organized this year as a result of student-teacher interest in the area of folk music. The Club hoped to provide an opportunity for students to attend concerts, share songs, and learn techniques of playing. Mr. Martin and Mr. Chiorse are the talented advisors.

The Ski Club first spent a January weekend in Mt. Orford, Canada. Their second expedition was the February vacation trip to beautiful Innsbruck, Austria.

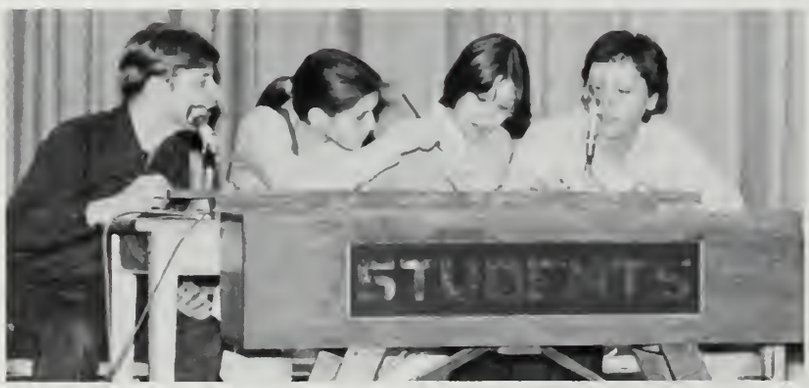
North's Student Council was chaired by Rita Kearney, Neil Sheehan, Heidi Binney, and Mary Kate Donovan. Mr. Egan and his council members were proud of the money they raised.

Also involved in fund-raising activities was the Senior Nominating Committee. Mr. Ghiorse and his group of "go-getters" enthusiastically helped the class of '79 lower its dues.

Weymouth North's Cheerleaders, under the supervision of Suzanne McCarthy, had an enjoyable year. After a most successful Thanksgiving rally, the girls proudly cheered for their victorious football team on Thanksgiving Day. Their enthusiasm lasted throughout a Christmas Basketball Tournament and an action-packed basketball season. Also busy cheering this year was the newly organized Pep Squad. Their purpose was to help improve school spirit and participation at sports events. The "Peppers" were led by Diané Wall and Barbie Creighton.

The Student-Faculty Assembly Committee planned and organized in-school assemblies, sponsored a public performance of The Pocket Mime Theater, and raised over $1,000 to fund future assemblies. Mr. Wiedmann and a group of interested students booked a limousine and raffled off a ride to school. This fund-raising effort profited those Close-Up students who visited Washington, D.C. last spring.

The Key club is a service organization. It's sponsored by the local Kiwanis Club. Fund raising projects included sporting events, programs, and the annual scholarship award. Other fund raising events were held by the National Honor Society. The College Bowl, Fall Folk Concert, and the Blood Drive highlighted this year's program calendar. Jean Mills, Amy Gabriel, Michael Grafton, Sandra Alemian, and Mrs. Whitlow organized the Society's events.



Project Part Time students, aided by Miss Tollo, taught numerous creative lessons to Weymouth Elementary school students. They enjoyed themselves while they shared their skills with youngsters.

Another "on the job" group is the student Secretaries Organization. These students performed typical office duties in school offices and at the Administration Building.

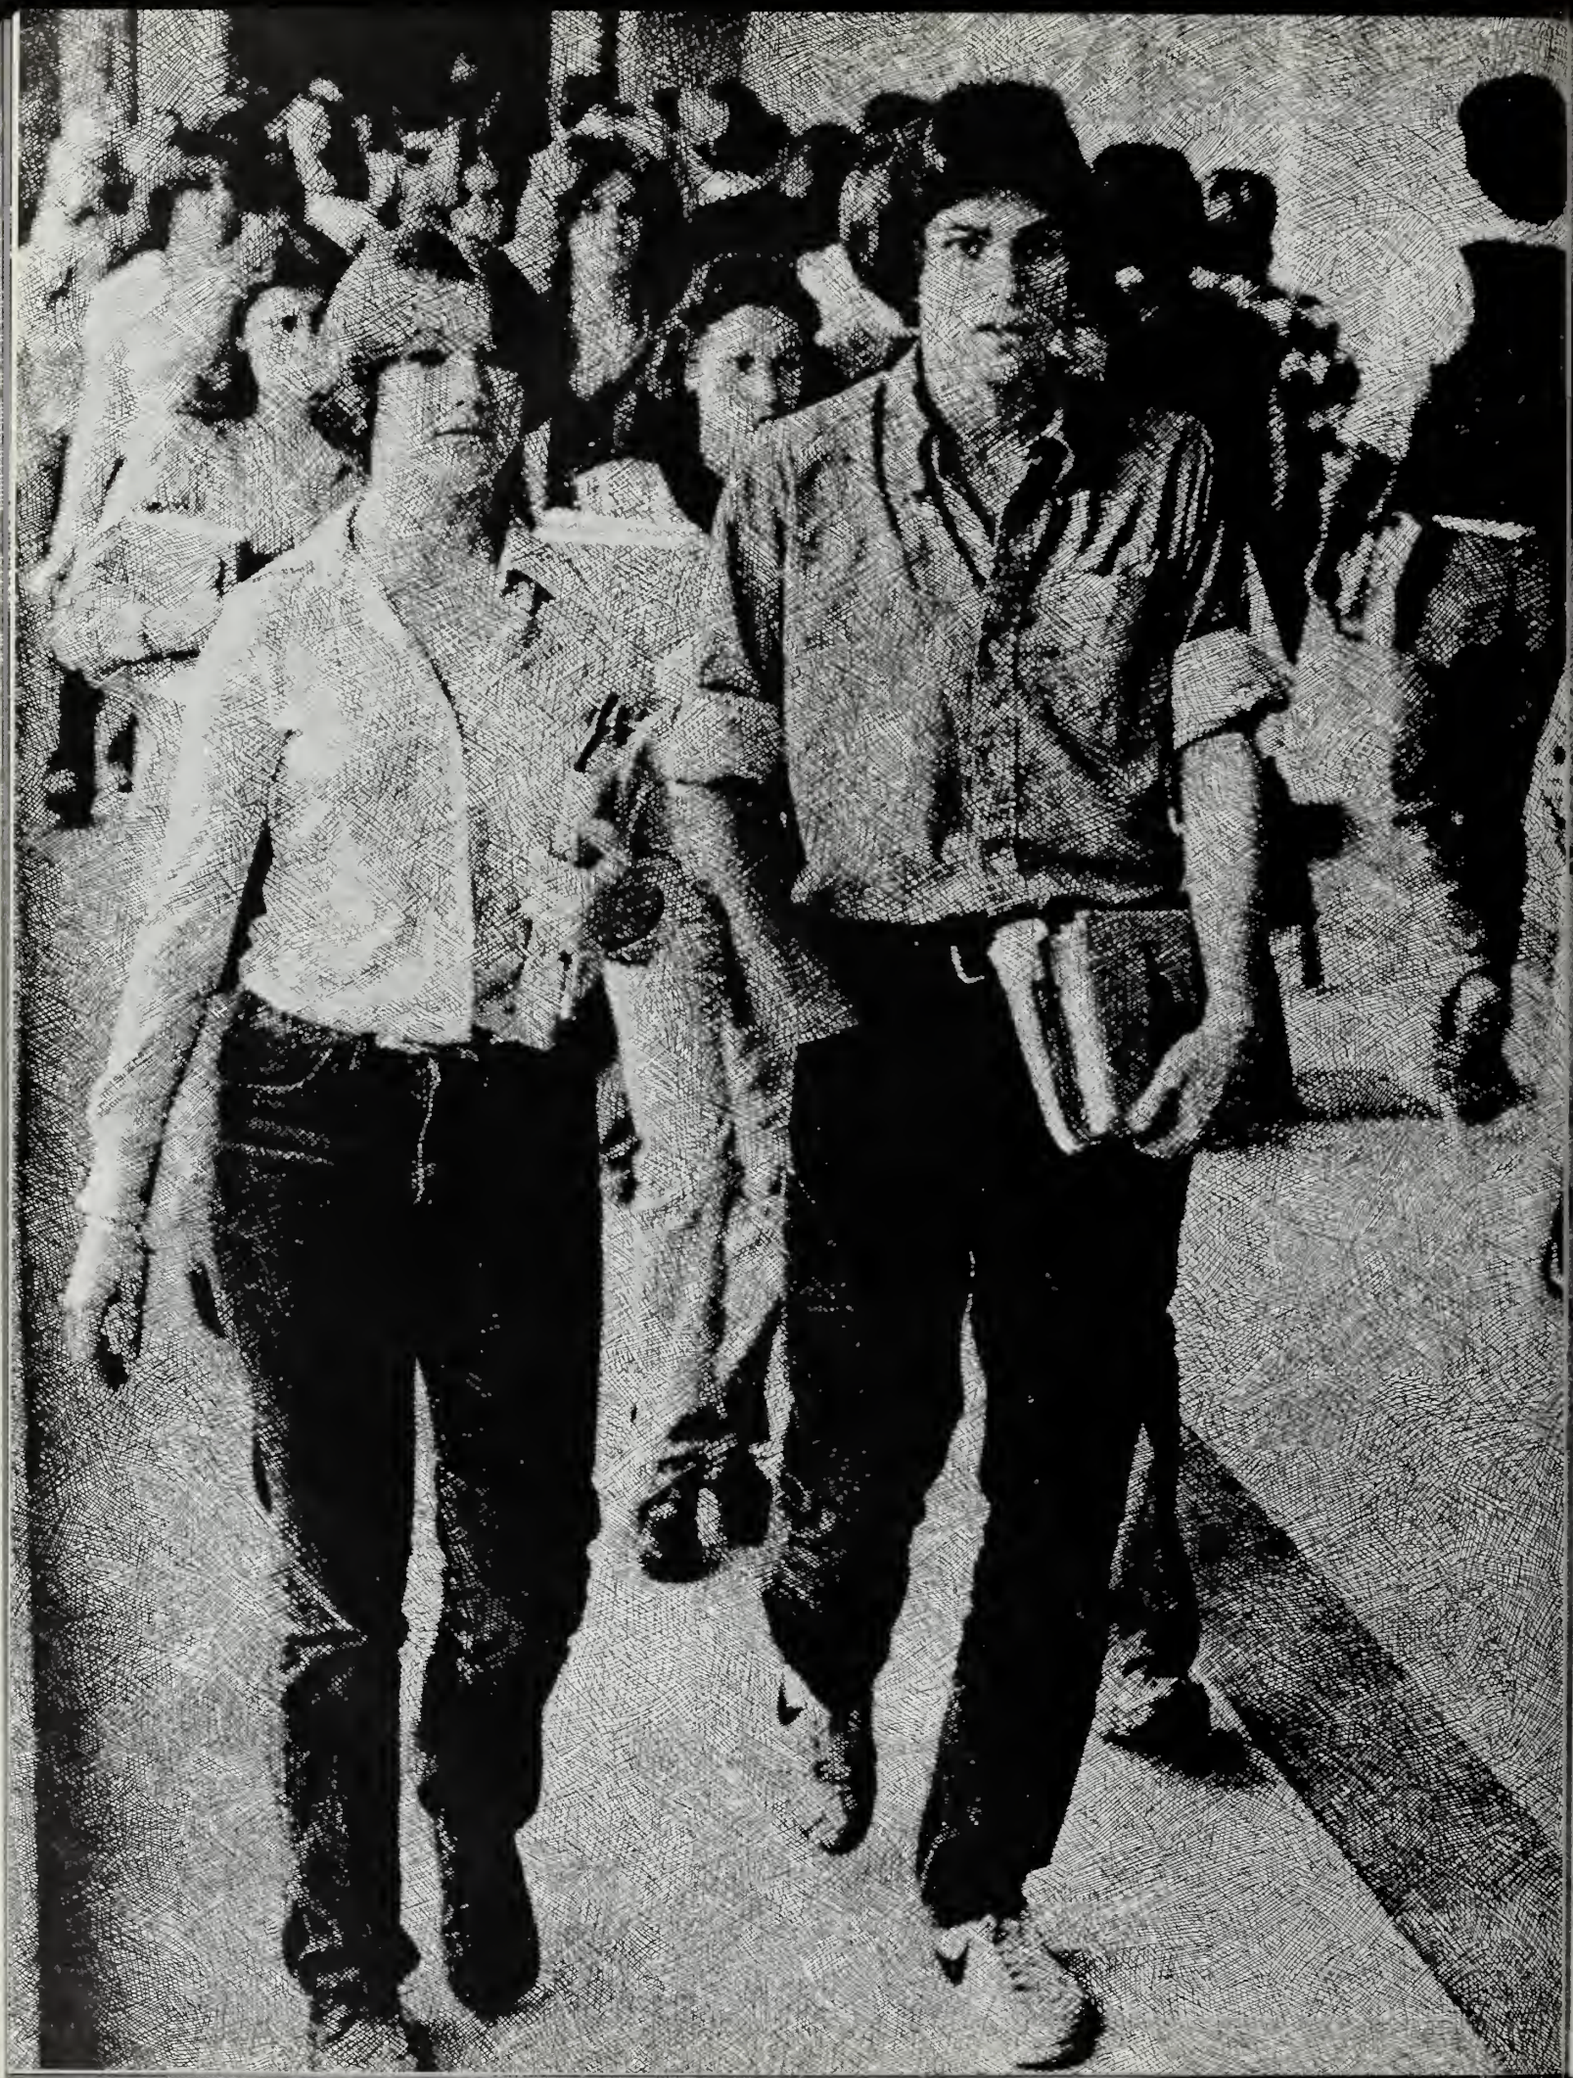
The Nursery School Program also enables students to learn more about career choices. The Child Care Center is a Laboratory Nursery School located behind North High School.

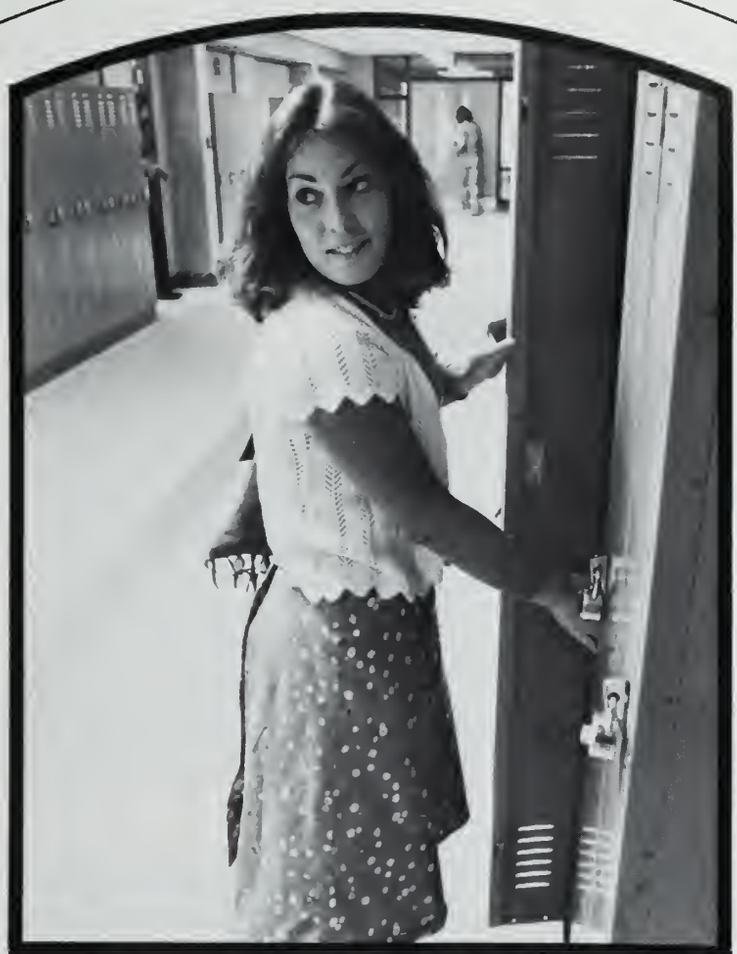
Music is an integral part of North's extracurricular activities. The Concert Choir, Chorus, and Orchestra performed under the direction of Mrs. Hodges.

The Band had a new director this year, Mr. A. Douglas Wauchope. The band deserves much credit for their enthusiastic participation in numerous school events.

Under the supervision of Mrs. Mahoney, the Prom Committee worked hard to make this year's Prom a highlight for the Class of '79. The memories shared at Lantana's made all their efforts worthwhile.

Two other groups who deserve credit for their hard work are the Cap and Gown Committee and the Coffee and Donuts Staff. Many a morning, many an eye was opened by the hot and cold refreshments served before homeroom!





We face each day one at a time, knowing that it takes us one day closer to June, and one day closer to the next school year. We sit back and observe the Seniors enjoying their outstanding year, realizing that someday we will be in the same spotlight.

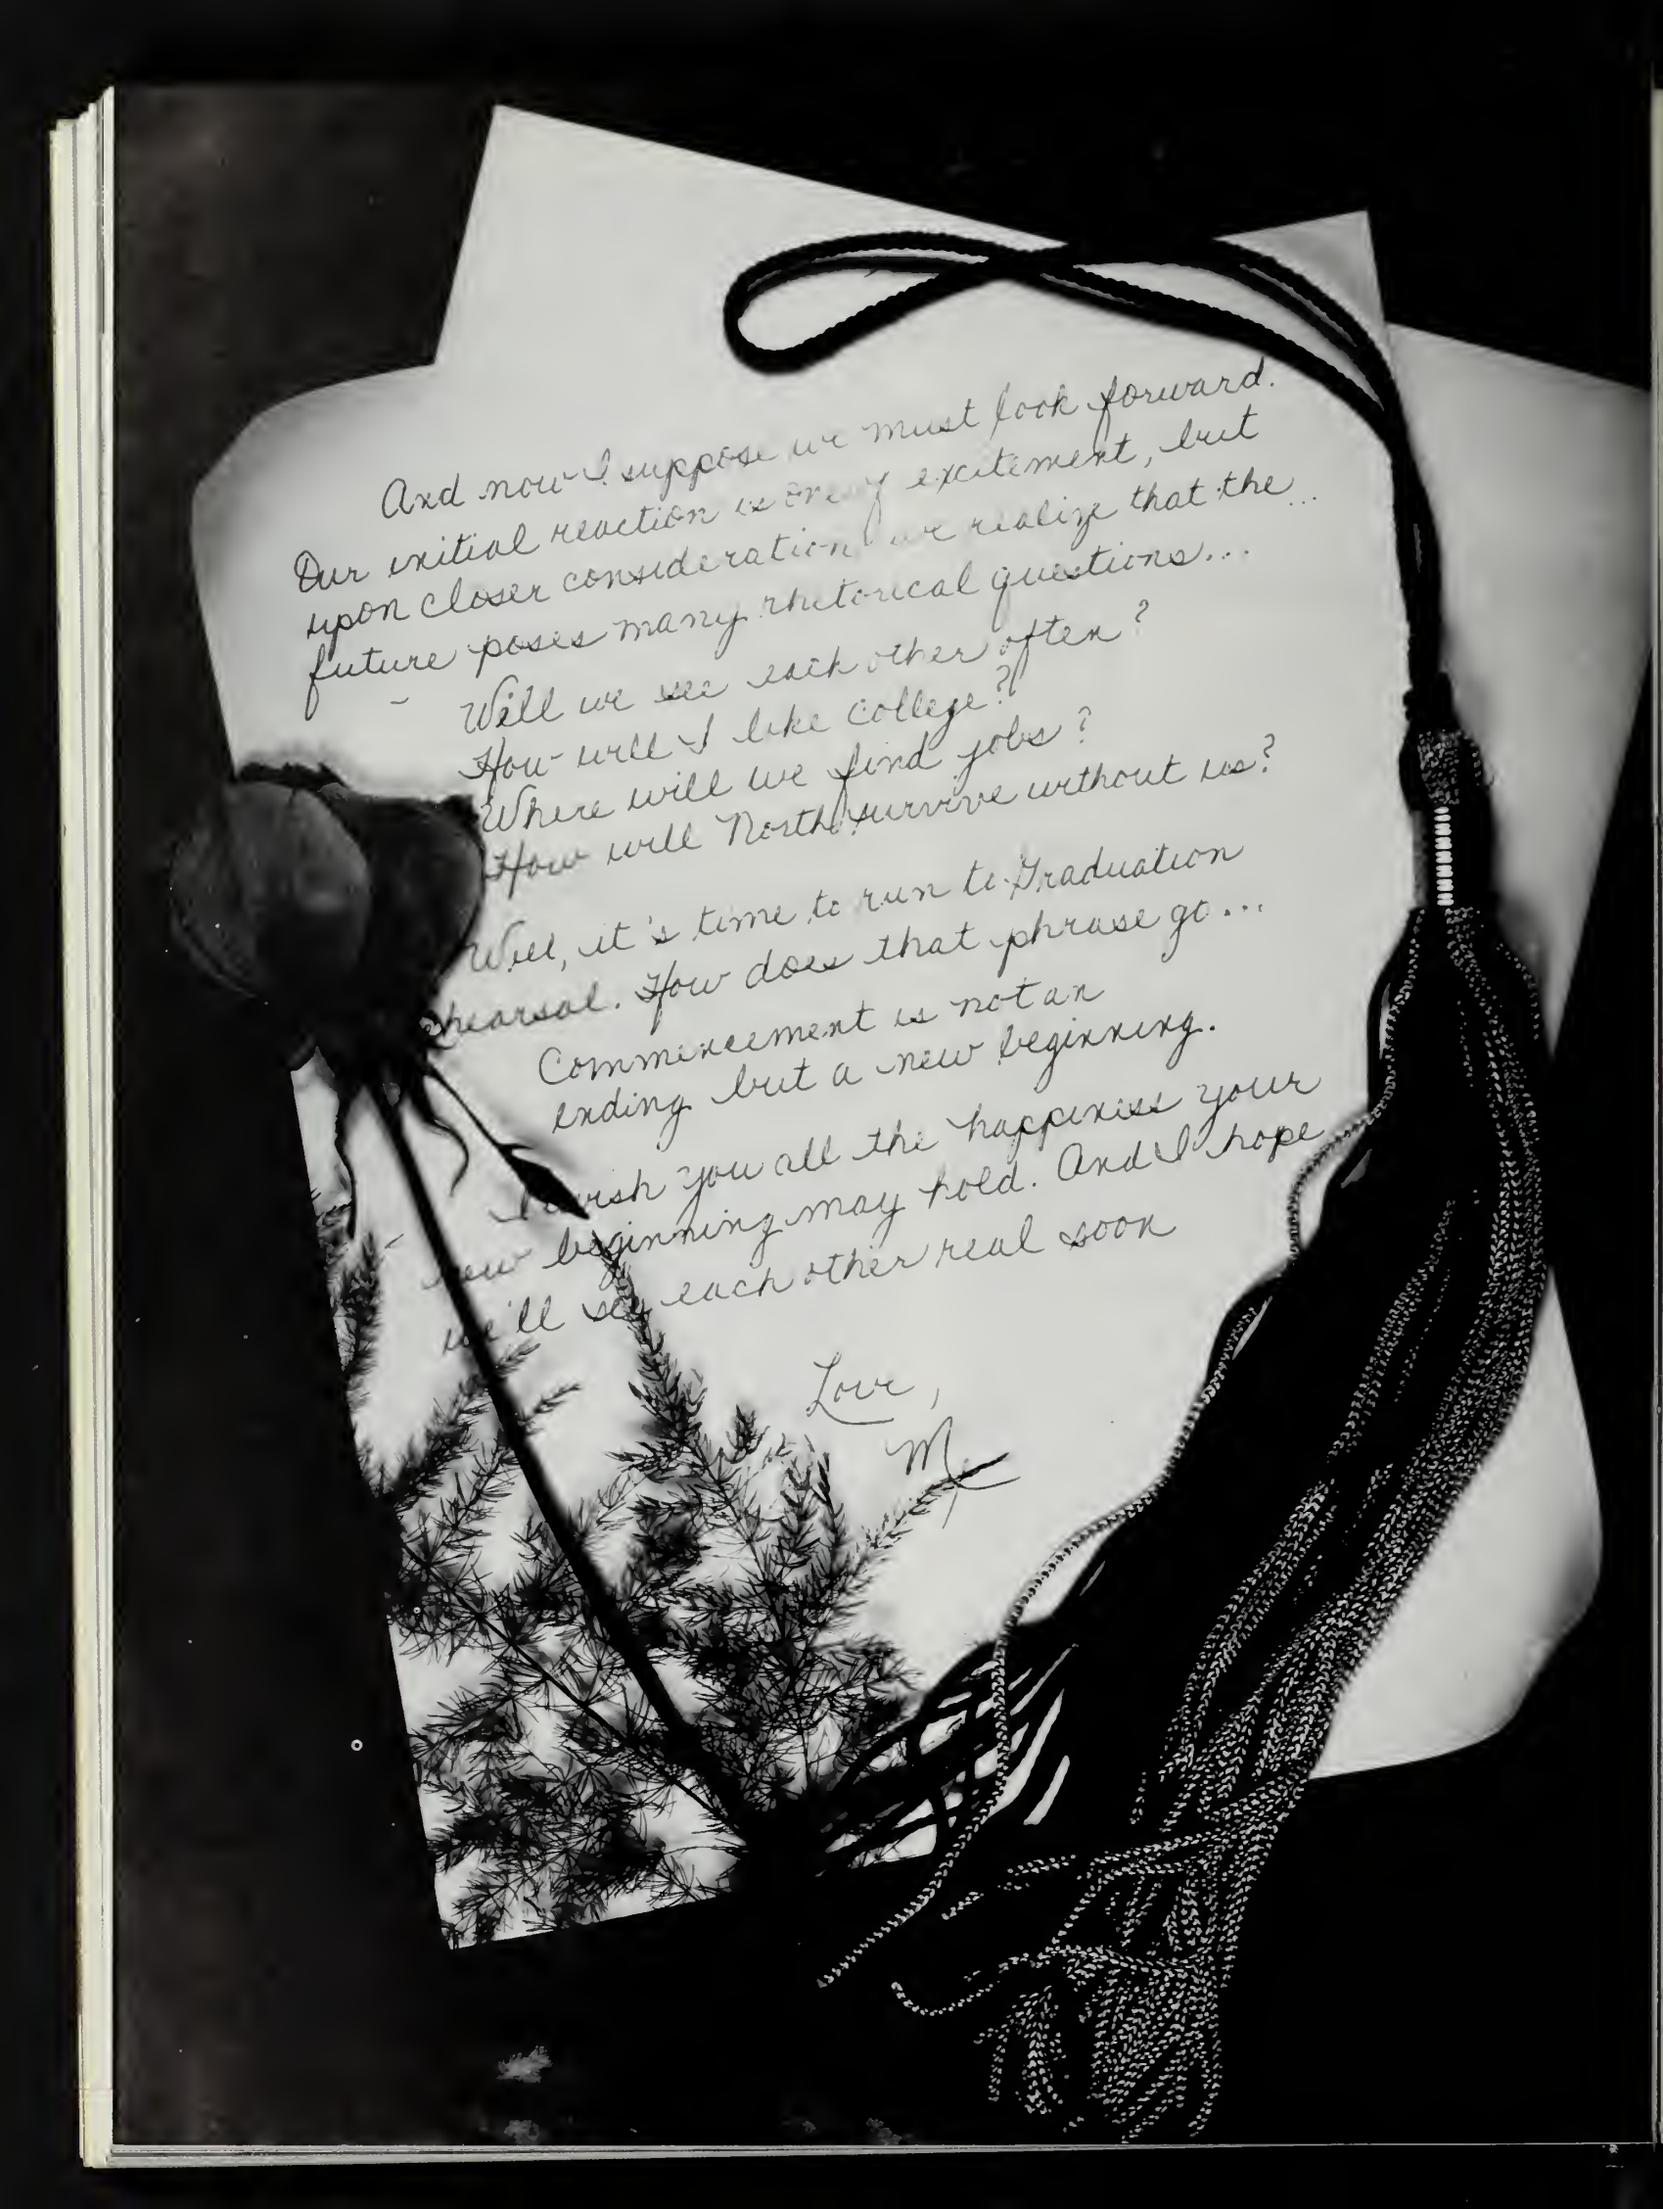
"Dubble, dubble, toil and trubble!"

"You plug'em we plant'em."

Buzzy's Gang

"Thank you, Paine-Webber."

"Talk about an inflated ego!"



And now I suppose we must look forward.
Our initial reaction is one of excitement, but
upon closer consideration we realize that the
future poses many rhetorical questions...
Will we see each other often?
How will I like college?
Where will we find jobs?
How will North survive without us?
Well, it's time to run to Graduation
rehearsal. How does that phrase go...
Commencement is not an
ending but a new beginning.
I wish you all the happiness your
new beginning may hold. And I hope
we'll see each other real soon
Love,
M
